Thank you for thinking of Noah Project in your estate planning. Planned giving is a perfect way to leave a legacy that will help our formerly neglected, abused, or abandoned dogs and cats for generations.

It is, however, important to ensure that the terms of your gift allow us to honor your interest in Noah Project without being restrictive in a manner that makes it difficult for us to use the funds as you intend. We suggest following the language below which can be inserted into your estate plan. Please feel free to modify it slightly after speaking to your estate planning attorney.

“I hereby give, devise, and bequeath to the Noah Project, a nonprofit organization, organized and existing under the laws of the State of Michigan, located at 5205 Airline Road, Muskegon, Michigan 49444, with tax identification number (EIN) 38-3456850, \_\_\_\_\_ [insert % or dollar amount] of the residue of my estate, both real and personal, for the purpose of caring for and seeking adoptive families for cats and dogs in their care, consistent with the organization’s mission and goals, and its successors.”

When completed, we would appreciate a copy of the relevant portion for our records. Thank you again for your support of the Noah Project, a no-kill animal shelter for cats and dogs.

Please feel free to contact us at the number listed above with any questions or email: [president@noahprojectmuskegon.org](mailto:president@noahprojectmuskegon.org).

With kindest regards,

*Jerry Wiersma*
