Thank you for thinking of Noah Project in your estate plan. Planned giving is a perfect way to leave a legacy that will help care for the cats and dogs at our shelter for generations.

It is, however, important to ensure that the terms of your gift allow us to honor your interest in Noah Project without being restrictive in a manner that makes it difficult to use the funds as you intended. We make the following suggestion of language to include in your estate plan for your gift to the Noah Project:

“I hereby give, devise, and bequeath to the Noah Project, a nonprofit organization, of 5205 Airline Road, Muskegon, MI 49444 (EIN 38-3456850), _____ [insert % or dollar amount] of the residue of my estate, both real and personal, as an unrestricted gift to be used for the purpose of caring for and seeking adoptive families for cats and dogs in the care of Noah Project or its successors, consistent with the organization’s mission and goals.”

When completed, we would appreciate a copy of the relevant portion of the estate plan for our own records. Thank you again for your continued support of our cats and dogs.

Feel free to contact us using the information listed above with any questions.

Sincerely,

Samantha Pepprock

Vice President
